Wendy Butler Curtis
Sr. Associate

AREAS OF CONCENTRATION

- Litigation
- Pharmaceutical and Medical Devices
- Health Litigation
- E-discovery and Information Management Group

EXPERIENCE

Wendy Curtis joined the Austin office of Fulbright & Jaworski L.L.P. in 1998 and transferred to the Washington, D.C. office in 2001. Initially, her practice focused on pharmaceutical products liability, insurance defense, toxic tort and medical malpractice matters. Over the past several years, Wendy has focused her practice in the areas of pharmaceutical product liability and health law litigation.

Wendy also has expertise in the identification, preservation, collection, review and production of massive amounts of electronically stored information. Her practice has expanded to include records management and electronic discovery as a member of the Firm's Electronic Discovery and Information Management practice group.

Wendy's most recent experience includes the following:

- First and second chair in multiple administrative proceedings
- Acting as a member on the National Coordinating Counsel Team for a major pharmaceutical corporation in the thimerosal litigation
- Acting as a member on the Texas Trial Team in association with the fen-phen litigation
- Assisting with trial and witness preparation
- Dispositive motion hearings and depositions
- Class action certification hearings
- Management of discovery at a national level, including electronic discovery and complex document production
- Creation of record retention schedules
- Creation and implementation of record management policies and programs
- Records Management and Preservation Notice employee training
